2019 Consensus Civility Awards

November 8, 2019 – Grand Street Café, Kansas City, Missouri

Consensus' annual Civility Awards honor people, organizations, and businesses working across differences to solve problems. Every day, in every community, people are working to build bridges, engage in public policy, and tackle the big issues we face in society. Often, this work goes unnoticed. We created the Civility Awards to make sure it doesn't. But we need your help.

The Civility Awards offer sponsors an opportunity to publicly support the extraordinary work happening in our communities across sectors, politics, and geography to create sustainable community solutions through civil, collaborative problem solving initiatives.

Will you help us honor this vital work?

**The 2019 Civility Awards
Breakfast will be held on
November 8, 2019
from 7:30 – 9 a.m. at the
Grand Street Café.**

By sponsoring the Civility Awards, you recognize honorees for their valuable contributions to our community - and help Consensus broaden the ways the public is engaged in creating better public policy. For additional information, or to make your commitment to support community-developed answers to important issues, go to:

<https://2019civilityawards.eventbrite.com>.

The awards are sponsored by Consensus, the 501c3 nonprofit organization that engages the public in making difficult public policy decisions. Since 1984, Consensus has played key roles in such community initiatives as the bi-state cultural tax, community mental health, access to health care, voting participation and others. Learn more about Consensus at <http://www.consensuskc.org>.
